PRINCIPAL'S MESSAGES

Our House Captains and Vice Captains did a fantastic job of leading their Houses at last week's swimming carnival. It was very tricky running a carnival with COVID restrictions and we are very grateful to the many parents and carers who attended whilst still abiding by these rules. Congratulations to those students who were successful in reaching the Wagga PPSA Carnival and thank you to Miss Brasier and the other teachers involved in running the carnival. A special thank you to the Koorringal High School students who were our time keepers for the day.

Last night we held our first P&C meeting for the year at the RSL Club. Thank you to the parents and staff involved. Our next meeting will be held on Wednesday 17th March.

Congratulations to our newly inducted Student Representative Council who were inducted in today's assembly. This is another important leadership role as they represent each class from Year 1- Year 6. Last year, our SRC members were very active in the school and we look forward to another exciting year ahead under the care of Mrs Mott, Mrs Cuneen and Mrs Ingram.

We look forward to our upcoming 3 Way Conferences in Weeks 5 & 6. As we are unable to have our Welcome Barbecue/ Parent Information evening, the conferences are a wonderful opportunity for students to set their learning goals with their parents and teachers as well as a time to clarify the many opportunities their children will have in the year ahead. It is expected that every student will have a 3 Way Conference.

School uniform is an important way to develop pride and the feeling of belonging to the school. Uniform guidelines include:

- appropriate footwear (not canvas shoes)- uniform is black shoes.
- makeup and facial piercings are not acceptable at school. Jewellery accessories, particularly long earrings, rings, neck chains or ties etc are not part of the school uniform and are deemed unsafe.
- a broad brimmed hat is essential. It has been wonderful to see all our students start the year

with fresh uniforms including black shoes and the correct broad brimmed school hat. As a SunSafe school, parents are reminded that students are not allowed to wear baseball caps at any time other than mufti days. This is an OH&S issue so it must be adhered to at all times.

Parking around the school is always an issue, however parents are reminded that it is not just a safety issue for our students, but the fines for not obeying the road signs are very expensive, given it is around a school.

No parking allows for 2 minutes kiss & drop (5 mins if disabled), you must remain within 3 metres of the car.

No stopping means no stopping

Cars must not stop on the crossing to drop children off under any
