PRINCIPAL'S MESSAGES

3 WAY CONFERENCE

Thank you to parents and carers who have attended a 3 Way Conference in the last couple of weeks. It was wonderful to see parents again and be able to have a general chat. It was also very valuable to set up their children with this year's learning goals to enable them to succeed in 2021.

EASTER HAT PARADE

Following on from our P&C meeting, we are excited to announce that we are able to hold our Easter Hat Parade on the last day of Term 1, Thursday 1st April at 12.15. The K-2 children will show off their hats and treat us to some entertainment and we will also have our Sturt Concert Band performing. Due to COVID restrictions will be holding the Parade under the COLA and we are only able to invite K-2 parents and Concert Band parents to this event. Sign in with the QR code and sanitiser processes will be in place.

EASTER RAFFLE

We will also be running the much-loved Easter Raffle. Students will be able to send in Easter eggs, which will be sorted into multiple prizes ready for the draw to take place immediately after the Easter Hat Parade, under the COLA. 3-6 students will be present. Please note the cut off date for Easter eggs is Friday 26th March (to abide by COVID restrictions).

SCIENCE & ENGINEERING DAY

Today our Lachlan OC class have been involved in a Science and Engineering Day. The students were certainly challenged in their thinking and we thank Mrs Hawkins for making this opportunity possible.

WWPSSA SWIMMING

Congratulations to those students who competed in the Wagga Wagga PSSA Carnival on Tuesday. It was a very successful event with Mackenzie M and Lachlan B going through to the Regional Swimming Carnival next week. Thank you to Miss Brasier and Mrs Schneider for coordinating this event.

STUDENT REWARDS

We take great pleasure in rewarding students for their good work and behaviour. This involves the weekly WOW card draw, where good work has been rewarded with a WOW card which is then put into the draw for each Stage. The winning student receives a school canteen lunch voucher to the value of \$5. If your child wins one of these vouchers, they need to make their order in the usual manner and simply hand in the voucher at lunchtime as payment. This has become a very popular part of the week and students are justly rewarded for their hard work.

Merit Certificates can also be earned through good work in the classroom. Red Cards are purely designed to reward good behaviour, attitude and participation within the school. The students collect 3 Red Cards for a Bronze Award and 3 Bronze Awards for a Silver Award and school badge.

2 Silver Awards will become a Gold Award, lunch of their choice with the principal and a Gold Card Recipient badge. 3 Silver Awards will become a Platinum Award and Principal for the Day. These awards are presented at the combined assemblies fortnightly.

VISITING NSW SCHOOLS

Parents and carers are not allowed on school sites or at off-site school events held during school hours except for the following purposes only:

- Essential parent and carer meetings with teachers and/or school executives, with a scheduled appointment. This includes scheduled meetings with parents and carers of prospective students.
- Parents and carers who attend a school administration building or another defined location for the purpose of picking up their child if they are unwell or where they have been asked to arrange for a COVID-19 test after their child has displayed flu-like symptoms while at school.
- Parents and carers who attend a school's administration building or other defined location for the purpose of picking up or dropping off a child with disability.
- Parents and carers who need to be on-site for canteen and uniform shop duties or to collect or purchase uniforms.
- Parent or carer volunteers required as educational support roles for activities essential to the delivery of the curriculum such as reading groups, music, dance and kitchen garden areas. Schools are required to have scheduled programs in place and remind parents and carers that they must not attend school unless it has been previously arranged.
- Parents and carers can attend parent orientation meetings and 'meet the teacher' meetings with school staff for all year/stage groups. Meetings should be limited to 1 hour where possible. A COVID-19 Safety Plan must be in place.
- Parents or carers of boarding school students who would like to collect students for local activities.
