PRINCIPAL'S MESSAGES

Mortimer Shield

The Mortimer Shield games were finally played on Friday 17th after an earlier postponement due to the weather. We had three teams competing with two of them undefeated on the day. Congratulations to all the students who competed and thank you to Mr Ward, Mr Gerhard and Mrs Fox who have trained and coordinated the teams. Thank you also to Mrs Hawkins and Mr & Mrs Makeham who assisted on the day. We very much look forward to the next round.

PSSA Soccer & Basketball KOs

Our PSSA Soccer teams, Girls and Boys competed on Monday. Unluckily both teams were defeated by Wagga Public School. All students should be very proud of their efforts on the day.

Our PSSA Basketball team competed against Franklin Public School yesterday. They defeated Franklin 29 - 27, and will now progress to the next stage of the competition.

Principal for the Day

As mentioned in the last Bulletin, Platinum awardee James C. was Principal for the day on Monday 20th June. James did an outstanding job working with the students, doing playground duty and spending his budget on sporting items.

Gold Lunches

James joined me in hosting a Gold Lunch for the two Gold Awardees- Logan S. and Lachlan B. Congratulations to these students on this fine achievement.

Learning & Support and School Counsellor

Here at Sturt we have a very strong Learning and Support Team who work hard to support our students' learning for both remediation and extension. Normally we have our School Counsellor, Aaron Johnston, as part of our Learning and Support team, one and a half days per week; he works at other schools during the rest of the week. As such, if there is a referral for Aaron to meet with a student or family, it is raised at the Learning and Support Team and prioritised. Please note that given the limited time allocated to our school, the time frame may be several weeks before the referral can be addressed. To support families, we have introduced a notification for parents so that they are aware of the approximate waiting time. For the next few weeks however, Aaron will be relieving in the

position of Senior Psychologist Education and our time with Aaron will be minimised. If you have concerns, please feel free to contact the school.

Kindergarten Enrolments for 2023

We are now taking Kindergarten enrolments for 2023. These can be done online. Proof of address is required for in zone applications. Out of zone places are limited. As per our Enrolment Policy, any out of zone applications will be reviewed by the Sturt Enrolment Committee and parents will be notified of the outcome.

To apply online, click the following link:

Take care over the holidays

It is hard to believe that we are already half way through the school year. We have had a very productive first semester and I am looking forward to this continuing next semester. We will be celebrating both Education Week and Book Week next term. The students always love dressing up for Book Week so that might be something to start thinking about during the holidays. Have a safe and enjoyable holiday and we will see all students back at school on Tuesday 19th July.
