PRINCIPAL'S MESSAGES

Reconciliation Week

We acknowledged National Sorry Day on 26th May, the first day, of Reconciliation Week. The discussions in classrooms included the importance of looking back and noting the past mistakes made, understanding the challenges which exist today and showing commitment to real reconciliation.

Rotary Public Speaking

Our students competed in the Rotary Public Speaking Competition last week. Their topic was "How Can We Serve Others in our Community". The students presented their well-prepared speeches at school, and from this group, five were selected to speak. Congratulations to all these students, especially Millie Golland, who won the competition. Thank you to Mrs Hawkins for training these students.

Uniforms

We have seen a real change in the weather in the last week or so. Please make sure that your child has a school jumper and/or school jacket to wear to school to be able to keep warm in this freezing cold weather. We do have a uniform pool and parents are more than welcome to purchase second hand uniforms for a nominal price. There is also a large number of unnamed items in lost property. We do return any items which

have names, but it becomes very difficult when there aren't any names. If you could name your child's uniform (especially jumpers and coats) that would be very helpful. It has become such an issue with the number of items being lost, that the school has purchased name tags which will be put on existing uniforms while the children are at school. If you have any problems with this, please let me know.

Sport PSSA

We are so excited to have our PSSA Knock Out teams able to compete this year. The girl's touch team played well against Wagga Wagga Public School. Unfortunately, they were defeated 5-2. Their team spirit was strong, and they played very well together, with a lot of communication and encouragement. Congratulations to Izzy, our number one tagger, and Neveah and Evie our two players who scored our tries. Thank you to Mr Fox for training this team.

Debating

Our 2022 debating competition has begun. Sturt Sturtles team debated the Sturt Squabblers team in the first debate. Today was our next debate where Sturt Sturtles were up against Turvey Park P.S. We will give an update on the outcome of this debate in the next bulletin. Thank you to Mrs Hawkins for training these teams.
